

Essential reading before applying.

Before you apply to be a member of staff, please check this list so you know the requirements and what the expectations are.

Entry Requirements:

- *You have been an active member of the server community for at least 2 months.*
- *You play regularly, we see you online most days.*
- *You understand the importance of voting for the server and your track record shows this.*
- *You naturally get on well with other people and are sociable and welcoming.*
- *You understand that your age does not matter, your attitude and manner does.*
- *You respect other players and you are able to resolve disputes diplomatically.*
- *You follow the rules of the server without being a bootlicker.*
- *You are friendly and other people like you.*
- *When something is wrong or can be improved, you have the confidence to speak up.*
- *You are an active member of our discord channel.*
- *You have a positive mental attitude and a great sense of humour.*

If that describes you, then great! We'd love you to apply. Even if we have no capacity for staff when you apply, we will consider you for future positions.

If you have not held a staff position on a server before then don't worry too much about the moderator commands and plugins as we can show you how to use them.

When you do apply, please take your time with your application and let us know why you think you are a good choice. Don't rush it, put some thought into what you say and give us something to think about.

If you are successful, here is what you can expect:

- *People will interrupt you with frequent questions while you are trying to play.*
- *We will have an expectation on you to be online regularly.*
- *You will need to resolve disputes between players diplomatically.*
- *You will lose out on a lot of the challenges of the server like ranking up as they are not available to staff.*
- *We will have an expectation on you to continue to vote regularly.*
- *You will not be allowed to abuse your perks or power.*
- *You will have the satisfaction of looking after a great community of players.*
- *You'll have a real say in the future development of the server.*
- *We will show you how to use the moderator commands and how we expect you to moderate the server.*
